To the U S P T O from Carl O.Olsson Evilard , CH,

Concerns application 10/805,200

Sir,

Your notice of abandonment has been received. It states that you have not received a reply on your OA of 2/21/06.

Applicants reply (obviously not „proper“) was confirmed by letter from the U S P T O signed Renee Hawkins . This letter also requests a fee of 60 \$, which was mailed Aug 7 06.

There was no confirmation that the U S P T O had received the check. This led the applicants to believe that all was well.

Applicants have now sought help from persons with more experience. It is now clear that the request for a prolongation should have been in the form of a petition referring to 37 CFR. Applicants regrets very sincerely this mistake.

As it is now a matter of reviving the application this letter contains also the following:

1 A petition.

2 A declaration

3 A check in the amount of 250 \$ for unavoidable delay.

Applicants submit very respectfully that the petition be granted so that the work can continue.

Sincerely

Carl O.Olsson

Applicant's reply to the Office Action mailed on 6-01-06 was received in the Office on 7-4-06, which is after the expiration of the period for reply set in the Office action. The time period for reply continues to run from the mailing date of the Office action. This application will become ABANDONED unless applicant obtains an extension of time by filing a petition under 37 CFR 1.136(a) accompanied by the appropriate fee as set forth in 37 CFR 1.17(a)(1)-(5) within the maximum extendable time period for reply (e.g., six months for a reply to a non-final rejection).

The date on which the petition under 37 CFR 1.136(a) and the appropriate extension fee have been filed is the date for purposes of determining the period of extension and the corresponding amount of the fee due. The expiration of the time period is determined by the amount of the fee paid. In no case may an applicant reply later than the maximum period of SIX (6) MONTHS statutory period or obtain an extension for more than FIVE (5) MONTHS beyond the date for reply set forth in an Office action.
